**Callum Wheeler charged with murder of PCSO**

A 21-YEAR-OLD man has been remanded in custody after appearing in court charged with the murder of police community support officer Julia James.

Ms James, 53, was found dead in Aikholts Wood, near her home in Snowdown, Kent, on April 27.

She had worked for Kent Police since 2008.

Callum Wheeler, from Aylesham, Kent, appeared in person at Medway Magistrates' Court yesterday.

He spoke only to confirm his name, date of birth and address.

Wheeler was arrested on Friday and charged on Monday.

He was remanded in custody to appear at Maidstone Crown Court on May 13.

Ms James, described as "fiercely loyal" and "loved with her whole heart" by her family, died from serious head injuries while out walking her dog.

**Saxons scrapped in diversity drive**

ENGLAND'S second rugby team will no longer be called the "Saxons" because the name is "inappropriate" and doesn't "reflect diversity in society", the sport's bosses blathered.

The Rugby Football Union will now call the team 'England A' as the national team has more players from black or minority groups than when the Saxons name came into being in 2006.

The RFU also distanced itself from the fans' favourite song *Swing Low, Sweet Chariot* because of its ties with slavery.

But the song will not be banned from Twickenham.

# QUEEN UNVEILS BORIS 'ROCKET FUEL'

THE government has promised to tackle obesity and improve mental health support, but there is no sign of long-promised legislation to reform adult social care.

Boris Johnson has set out his legislative agenda for the new parliamentary session in the Queen's Speech for "unleashing our nation's full potential" as the UK emerges from the COVID-19 pandemic.

"We have been given an historic opportunity to change things for the better, level up opportunities across the whole of the United Kingdom and address the problems that have constrained us too often before," he said.

The PM said ahead of Her Majesty's Speech that adult

education laws will be 'rocket fuel' for levelling-up agenda.

Proposals on social care will be "brought forward", but there is no specific bill mentioned to tackle an issue that has plagued successive governments.

Upon becoming PM in 2019,

duty since the death of the Duke of Edinburgh last month.

The event, which is usually marked with pomp and ceremony, was scaled back because of COVID-19.

And rebuilding as the country emerges from the pandemic is a key focus for the government.

"My government's priority is to deliver a national recovery from the pandemic that makes the United Kingdom stronger, healthier and more prosperous than before," the Queen said.

"To achieve this, my government will level up opportunities across all parts of the United Kingdom, supporting jobs, businesses and economic growth and addressing the impact of the pandemic on public services."

**Fred West cops search cafe for teen girl's body**

POLICE have searched a cafe linked to the disappearance of a girl suspected to have been murdered by the serial killer Fred West.

Officers were called to The Clean Plate cafe in Gloucester by a production company filming a documentary.

They told police they had found evidence a body could be buried within the property.

The building has previously been linked to the disappearance of 15-year-old Mary Bastholm.

Assistant Chief Constable Craig Holden, of Gloucestershire Police, said: "We consider this to be new and potentially important evidence in the case of Mary Bastholm."

However, further detailed assessments will take place over the following few days to determine the extent of excavation needed.

Mary was 15 years old when she was reported missing on 6 January 1968.

Police said her disappearance had previously been linked to West (above) and there was a suspicion he was involved in her death.

# END OF THE KEIR SHOW

**Labour boss 'close to quitting' as sacked deputy Angela lines up for leadership challenge**

KEIR Starmer is ready to sensationally QUIT as Labour leader as the party looks certain to career to the hard-Left in the wake of last week's electoral drubbing.

Many on the Left wing of the party blamed Sir Keir for the loss of the Hartlepool byelection and the collapse of the Labour vote in council elections, especially in the northern heartlands.

Leftists were further angered when Starmer sacked deputy leader Angela Rayner, a darling of the Corbynites, as the party's election supremo.

Even that did not go Sir Keir's way, with a furious Ms Rayner landing an increased role as shadow chancellor to Duchy of Lancaster — opposite Tory Michael Gove.

## Earthy

She was also made shadow first secretary of state, effectively making her the shadow deputy prime minister.

Sources close to Ms Rayner, the earthy MP for Ashton-under-Lyne, say she is now mulling a challenge to Starmer's leadership.

A Labour source said: "There were a lot of people encouraging her to run and saying that

they would back her. "She could have easily challenged Keir on Saturday and won with support from all wings of the parliamentary party and trade union movement."

A source close to Starmer said: "Reaction to his sacking of Angela shows that the hard Left has the party in its grip and the slide back towards a Corbynite manifesto is inevitable.

"That will make Labour unelectable for a generation."

Keir knows his leadership is now holed below the waterline and there's no coming back.

"It's not a case of if he goes, but when."

More than 20 others, mostly children, were reportedly wounded.

# KIDS KILLED IN SCHOOL MASSACRE

Putin said he would review the country's gun control laws.

School shootings are

relatively rare in Russia. One of the last major incidents happened in Russian-annexed Crimea in 2018.

A source in the emergency services told Russian news agency Tass that the attack began at about 9.20am, with the first

signal from a panic button at the school five minutes later.

Heavily armed police and emergency vehicles responded to the incident.

The suspected attacker has been widely named locally as Iliaz Galayev.

Investigators said he was a Kazan resident thought to have studied at the school in the past.

**Sturgeon: It's hugging time in Scotland**

PEOPLE in Scotland will be able to hug and meet in each other's homes from next Monday as the country's COVID rules are relaxed.

Mainland Scotland will move to level two restrictions, although it is "very likely" Moray will remain in level three after a surge in cases.

Most of the Scottish islands, except for Skye, will move to level one restrictions on the same date.

And a traffic light system will be introduced for international travel.

The changes, which will also allow pubs and restaurants to sell alcohol indoors, were confirmed by First Minister Nicola Sturgeon (above).

She also announced that the requirement for social distancing during meetings indoors or in private gardens would be dropped.

# IS YOUR MISSUS A SINNER IN THE SACK?

By GRACE HOOPER news@sundaysport.co.uk

## THE ten most common sex sins have been revealed.

Women's top sin is fantasising about another man while having sex with their partner.

The second most popular female sin is secretly following the lives of their ex-lovers on social media.

Third on the list is faking an orgasm, fourth is wanting to break up with a partner but not having the guts to do it and fifth is pretending to be tired or have a headache to avoid having sex.

The results are revealed in a new survey of 2,000 people by IllicitEncounters.com, the UK's leading affairs site.

The most popular male sin is wanting to have sex with one of their partner's friends.

Second is having sex with two different women on the same day but not at the same time, third is watching porn without telling their partner, fourth is sending flirty phone messages or emails to a friend or work colleague while in a relationship, and fifth is being unfaithful.

### Boring

The survey revealed that 96% of men and 95% of women have committed at least one of the 10 sex sins.

Four out of 10 men (39%) and 38% of women have committed between 1-4 of the 10 most common sins.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "Life would be very boring without a little sexual sinning."

"Most of us behave badly at some point in our lives while we find the right partner."

"Lots of people carry on sinning even when they settle down, as they find monogamy boring."

"Sex sinning will be massively on the rise as we come out of lockdown and finally regain our freedoms."

**Soldiers warn Macron 'civil war's brewing'**

A GROUP of serving French soldiers have published a new open letter warning top Frog Emmanuel Macron that the "survival" of France is at stake after the President made "concessions" to Islamism.

The letter published in right-wing magazine  *Valeurs Actuelles* (*Today's Values*) echoes the tone of a similar letter printed last month which warned a civil war was brewing and called for military action on "Islamists".

But French Interior Minister Gerald Darmanin slammed the letter as "crude".

The previous letter, signed by 1,000 people including serving officers and some 20 semi-retired generals, warned of the "disintegration" of France because of radical Islamic "hordes" living in the suburbs.

The current letter's authors described themselves as active soldiers and warned: "Civil war is brewing in France, you know it."

Babes can 'win games' on Twitch by baring flesh in tubs

**Sexy new vid game trend sparks outrage**

By JIM STANFORD  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**USERS** on the video game live-streaming service Twitch are outraged over a sexy new trend on the platform, in which female streamers sit half-naked in hot tubs while chatting with viewers.

The practice exploded in popularity following the debut of the "Just Chatting" feature, which let Twitch users to speak directly with audiences.

Dubbed "hot tub meta," the trend entails scantily-clad women earning cash by sitting in hot tubs while playing video games, or just responding to messages in real time.

Spoopy Kitt, an anonymous streamer with 60K followers on the Amazon-owned platform,

said: "I think it's universal that people like seeing pretty ladies in bikinis."

Spoopy, who regularly talks to viewers while riding on an inflatable lobster, added that "hot tubs have become the new and effective way streamers are using to win the game".

Unfortunately, many Twitch users are none too thrilled with the titillating pastime, which they feel cheapens the platform's brand.

One disillusioned user on

moaned: "Twitch needs to accept the fact that they are nothing more than a glorified softcore website."

Another compared the trend to webcam site Chaturbate, minus the naked girl.

But bikini streamers were quick to defend the practice.

Rachell "Hoffstetter," the internet's most-watched female streamer, said in a recent video: "I don't get what the issue is. If no-one is hurting anyone, what's the issue?"

Rules around masks could change soon

THE government could change the rules around mask wearing next month, the health secretary has revealed.

Matt Hancock said ministers "haven't ruled that out" as part of step four of England's roadmap for easing COVID-19 restrictions on June 21, but at the same time urged people to exercise "personal responsibility".

The wearing of face coverings in a range of settings, including in shops and on public transport, has been required since last summer.

Mr Hancock also said those aged 35 and over will be offered their coronavirus vaccine "pretty soon", with the rollout currently inoculating everyone over the age of 40.

The Health Secretary was speaking after PM Boris Johnson confirmed step three of lockdown easing will go ahead next Monday.

This will see pubs and restaurants reopen indoors and people allowed to mix indoors as two households or under the rule of six.

On March 17, the court heard, he stole sex lube and a bong from the shop in St Catherine's, Canada.

When the manager confronted him, he struck her across the face, cutting her lip.

He was arrested by police a short distance away.

**Chloe gets 'em pout!**

RED-HOT Chloe Ferry leaves little to the imagination as she shares yet another revealing selfie with social media followers, days after saying she was stepping away from social media.

The scantily-clad *Geordie Shore* star just about protected her modesty in a skimpy red sheer bra and matching thong while posing in front of her bedroom mirror.

With her curves on full display, Chloe, 25, pouted for the camera with her blubbery lips.

One fan said: 'She's an odd-looking bird but if I saw her shitting into a crisp packet, I wouldn't look away.'

**THEY crippled the world with a killer plague caused by their dirty bat-eating antics... and they get *Line of Duty* in return!**

Hardly seems fair!

The popular cop drama's sixth season is set to hit screens in China, after ITV Studios bosses inked a new deal with local video app Pumpkin Film.

It's expected the show will have to be vetted by Communist Party officials ahead of being screened though, in case it inadvertently offends Marxist orthodoxy.

The BBC hit, which came to a nail-biting conclusion earlier this month, is also set to launch on Britbox in North America next week and has been picked up in a slew of deals worldwide.

### Rights

Other countries the Jed Mercurio-created series is headed to are New Zealand, South Korea, Spain, Denmark, Norway, Sweden, Latvia, Finland, Belgium and the Netherlands.

Britbox Australia also picked up rights to the series, with the show, starring Vicky McClure, Martin Compston and Adrian Dunbar, having launched there in April.

The first episode of this series was watched by 9.6 million overnight viewers on BBC One in

the UK and the series finale saw 12.8 million viewers tune in live.

It comes as *Line of Duty* fans across the nation were left fuming as the nail-biting series finale drew to a close and the mysterious 'H' was finally unmasked.

They took to social media in their droves to share their frustrations as officers from the police anti-corruption unit AC-12 discovered the elusive 'fourth man' was none other than DSU Ian Buckells.

The words 'fuming' and 'disappointing' all trended on social media at the end of the show.

Last night a fan said: 'The disappointing end of series six of *Line of Duty* is hardly revenge for China's granny-killing death plague, is it?'

## UK LOSING CYBER RACE TO RUSSIANS

THE UK is facing a "moment of reckoning" around its cybersecurity because of the rising technology threat from countries such as Russia and China, the head of spook intelligence has said.

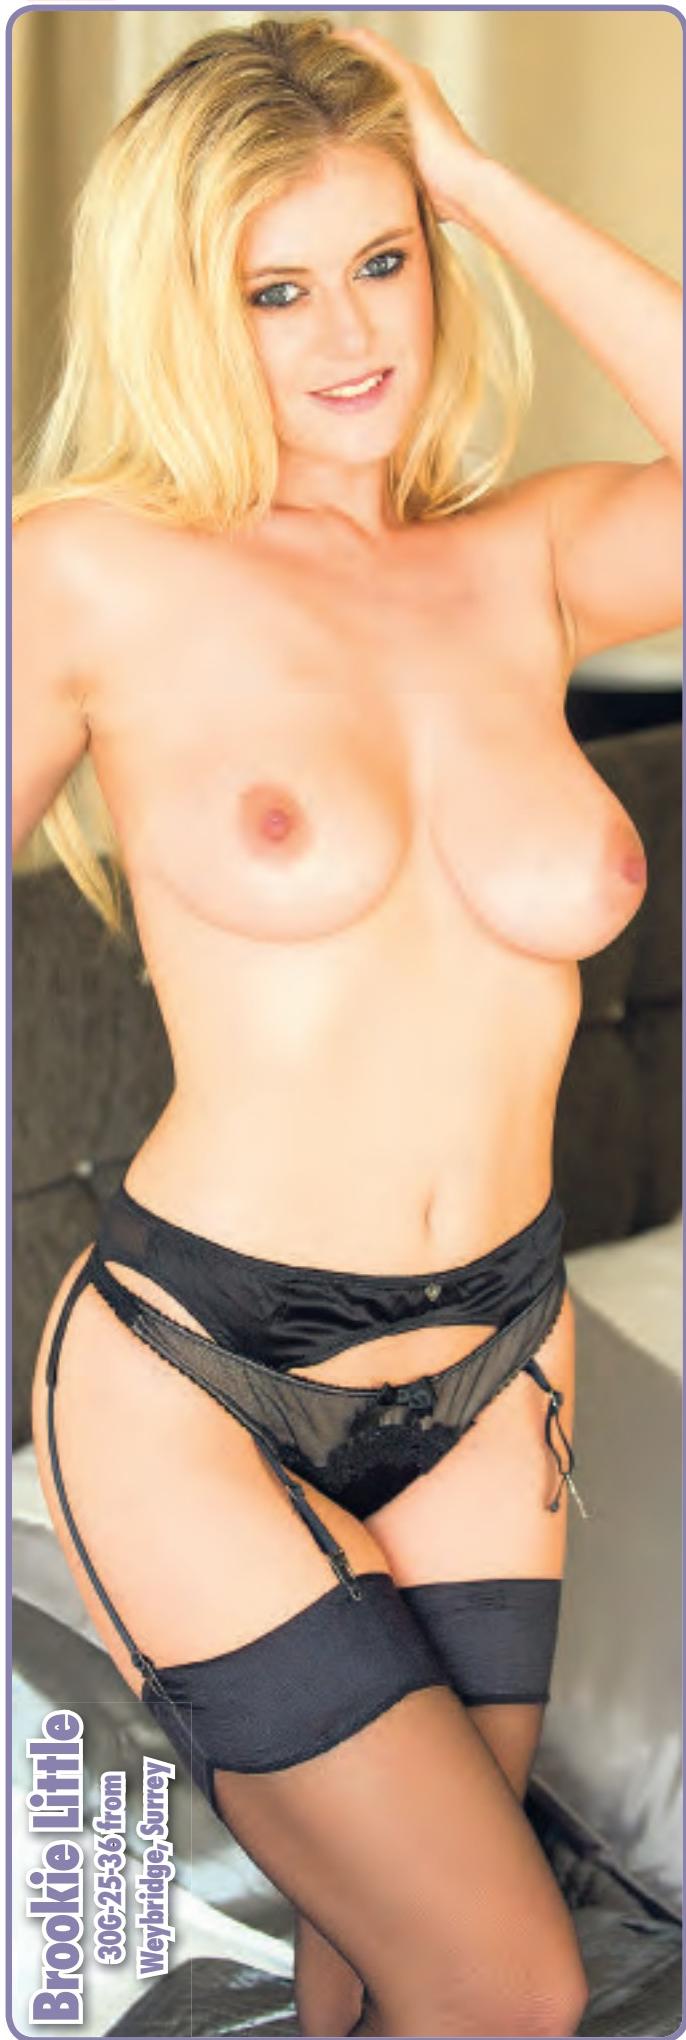

Jeremy Fleming warned that the UK's prosperity and security are at stake because "significant technology leadership" is "moving east".

Speaking at the opening of the CyberUK virtual conference, the GCHQ director said the country's cybersecurity industry must take action and keep evolving its defences to ensure UK and global safety.

He said: "Without action, it is increasingly apparent that the key technologies on which we rely for prosperity and security won't be shaped and controlled by the West."

"We can see significant technology leadership is moving east, is causing a conflict of interests, of values, where prosperity and security are at stake."

"And it follows that cybersecurity is an increasingly strategic issue, that needs a whole-of-nation approach we are to continue to reap the benefits of technology."

## Naked woman offers cops sex on top of motor

A WOMAN was hit with two charges of harassment of a public servant after she stood stark bollock naked on top of a car outside the ambulance bay of a hospital and yelled SEX invites at passers-by.

When cops arrived they say they found troubled Carmen Harvey (above) on top of a battered old motor, with no clothes on.

She began yelling obscenities and telling that she wanted to have sex will all of them.

Officers say the car was running, and her clothes were on the front passenger seat.

They then got into a physical struggle with Harvey while trying to get her off the car at the United Regional Health Care Hospital in Oklahoma City.

She was taken to the emergency room for a medical and had to be held down on the bed because she was thrashing around, spitting on nurses and screaming.

She was later hauled off to the local lock-up to await trial.

The museum tweeted that it had asked Massachusetts-based TripAdvisor to take down the offensive review, in which the writer said they went to Auschwitz to "test the chamber".

# BBC EMILY'S STIFFY-PROD TERROR

By SUZIE SHELDON  
[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

**RANDY** actors "nudge" their female co-stars with raging STIFFIES, the star of the BBC's new drama has said.

Emily Beecham, who plays Fanny Logan in *The Pursuit of Love*, said male actors "blurring the lines" made her feel unsafe earlier in her career.

"I was very young and I was doing an awful lot of sex scenes," she told Sunday Times magazine.

"So I did feel quite defensive after a while, a bit unsafe."

"I've had friends who have had actors press their erections up against them, and you've just got to ignore it."

"People do blur the lines and they do suddenly try to 'go method' with you."

The English-American actress stars alongside Lily James and Dominic West in the three-part drama adapted from Nancy Mitford's 1945 novel about sisterhood and sexual awakening.

## Fixating

The drama debuted on Sunday and fills the void left by *Line of Duty*.

Manchester-born Emily has praised the innovations of intimacy coordinators who choreograph sex scenes and ensure consent during filming, saying they have improved the on-set experience for performers.

Intimacy co-ordinators have become more prevalent following the MeToo movement.

The change has been welcomed by stars including Ruth Wilson and Rege-Jean Page.

Emily, who won Best Actress at the Cannes Film Festival for her turn in *Little Joe*, has

also welcomed the rise of more female writers and directors in a film industry that almost forced her to quit early in her career.

She said she grew tired of crews fixating on her looks, recalling one moment when filmmakers asked: "Why does Emily look so ugly in this tape? She looks pretty in her showreel."

In her role as Fanny Logan, she serves as the

narrator of Mitford's novel, which offered a semi-autobiographical account of her eccentric aristocratic sisters.

The BBC adaptation was three years in the making and centres on the urge for freedom and sexual awakening sought by Linda Radlett, played by Lily James, whose efforts are frustrated by her father, played by Dominic West.

## 'NAKED' SHOCKER AT IBIS HOTEL

A MAN has admitted outraging public decency after he appeared "almost fully naked at a hotel reception desk in front of guests and staff".

Mark Harris, 46, pleaded guilty to committing the offence at Newport's Ibis Hotel last month.

The city's magistrates court heard how Harris had urinated on sliding doors and a window.

Harris, of Newport, Wales, also admitted public disorder and criminal damage.

He was conditionally discharged for 12 months and ordered to pay £107 in costs and a surcharge.

## Fingered fanny in front of teens

A WOMAN ate grass and fingered her MINGE in front of teenagers.

Police in the US state of Oklahoma say Ola Mae Allen, 57, was staying at a home in Oklahoma City with two women and three teenagers when the mother kicked her out.

Allen and the teenagers reportedly left the property and were on their way to the home of one of the girls' biological mothers.

They stopped at a park and Allen then left the car and began eating grass and dancing on a pole, before masturbating and performing lewd acts in front of the teenagers.

Cops called to the park believe Allen was on narcotics or having a mental health crisis.

Allen was arrested on charges of performing a lewd act in front of a minor.

# MISS GETS 7 YEARS FOR LICKING OUT TEEN GIRL PUPIL

By SUZIE SHELDON  
[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

A TEACHER and basketball coach has been jailed for seven years after repeatedly licking out an underage female student.

Lisa DeFluri, 31, pleaded guilty to 11 counts of second-degree sexual abuse.

DeFluri had been head coach of the girls basketball team at Thurston High School, Oregon, since 2018 and was also listed on the school's website as a teacher for English and English support classes.

In December 2020, DeFluri was accused of inappropriately touching and engaging in oral sex with a female student under the age of 18 on multiple occasions between July and December 2020.

In Oregon, the age of consent for sexual activity is 18.

DeFluri was arrested again in April for violating the conditions of her release from jail by secretly meeting with the victim and communicating with her over the phone.

During her sentencing hearing, Springfield detective Jamie McMahon described DeFluri and the victim's relationship as "obsessive".

McMahon said she found love letters and pictures of the woman and teen all over the girl's apartment and DeFluri's classroom.

"It was basically

hiding in plain sight," McMahon said. "There were notes everywhere. They weren't hard to find."

The victim's mother described DeFluri in her impact statement as "sick" and "unstable".

She said the teacher had been grooming her daughter for sexual abuse for years.

"Being a family friend, we trusted Lisa and she made sure we trusted her. And little by little, she went deeper into our lives," the mother said.

"At 11 to 12 years old, Lisa had set eyes on our child and family and the grooming began then."

DeFluri expressed remorse for inflicting harm both on the victim and her own family.

Her husband of five years divorced her in the wake of her arrest.

DeFluri said. "The words 'I'm sorry' do not undo the damage I've done to [the victim] and [the] entire family or the suffering that I have inflicted on my own son."

DeFluri will have to register as a sex offender for life.

## ROT IN HELL, YOU BASTARD!

THE French serial killer who murdered British student Joanna Parrish and many more has died.

Michel Fourniret (right), the 79-year-old known as the 'Beast of the Ardennes', was rushed to a secure unit at the Pitie Salpetriere in Paris and passed away on Monday.

"He was suffering with heart problems and mental degeneration, and was placed in a coma before doctors considered he could not be resuscitated," a source revealed.

Fourniret admitted kidnapping, raping and murdering nine girls and young women over a 14-year period from

1987 and is thought to be behind up to 21 more killings.

They included 20-year-old Leeds University language student Joanna, who was killed in Burgundy countryside in eastern France in May 1990.

In 2018, Fourniret told magistrates he killed Joanna, whose naked body was found in a river in Auxerre the day after she was reported missing.

Blood jabs can give you a stiffy

BLOOD injections can put the bite back into men's sex lives, say scientists.

In the first trial of the blood jab therapy, seven in ten men saw a major improvement in erectile function.

The benefits lasted at least six months.

Before treatment, the volunteers at Aristotle University in Thessaloniki, Greece, had been impotent an average of six years.

Blood samples were spun at high speeds to separate the platelet-rich plasma.

This was then injected back into the privates of the participant.

Experts think it fuels growth of blood vessels that boost supplies to the penis.

# SHOE SHOP PERV SPUNKED IN COLLEAGUES' TRAINERS

**Oddball posted antics on fetish site**

A SHOE store employee allegedly took candid photos of co-workers and customers before sniffing, spitting and ejaculating in their footwear.

The man then posted his antics online on a forum for foot fetishists.

Malachai Wylie, 23, began posting images from his store to an online shoe fetish site in December 2020.

It started with a thread titled 'Workmate's Converse in work locker', which now has 8,900 pageviews.

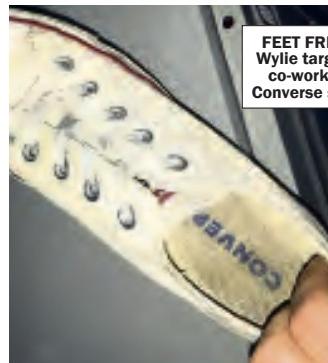

"I was at work yesterday and noticed my workmate had received a new pair of shoes for work (I work at a shoe store and we have to wear the store's footwear) and came in wearing her Converse," the first post reads.

## Erect

"On my big break, I managed to get her locker open and check out her shoes."

Wylie allegedly took her Converse trainers into the work bathroom and photographed them – and also photographed her sitting in their breakroom.

These images were

uploaded to the thread along with a description of how her shoes smelt.

In January 2021, he allegedly photographed himself as he inserted his erect penis into the younger co-worker's shoes and ejaculated inside them.

A few days later, a post on Wylie's profile revealed second, older co-worker's shoes were being targeted.

"She wore Nike AF 1 into work and left them in her locker so I thought they deserved a cum," the post read, along

with further images of a penis, semen in her shoes and photos of her in the breakroom.

Then came a second thread in January 2021 titled 'Candid girls at my workplace!', which has been viewed over 13,000 times.

In February, a post described an "incredible experience" – where he sniffed and ejaculated into a third female co-worker's boots.

Photos of this, along with photos he'd taken of her sitting in their breakroom with her face

visible, were posted to the shoe fetish site.

In March, a post on Wylie's profile said as he was walking home from work, he spotted a "fit" brunette ahead of him.

He noted her address, then went to her house the next morning and allegedly sniffed, spat into and photographed shoes on her porch.

The shoe shop, Number One Shoes in Palmerston North, New Zealand, has declined to comment.

Wylie is charged with two counts of offensive behaviour and one of theft.

WE all know what French fancy Pauline Tantot's firm breasts look like...

So here's a chance to admire her other end. The 26-year-old shared a lovely trumper pic with her 5.6million Instagram followers.

One fan drooled: "I wonder if she needs a personal wiper? I'd do the job for now!"

Golfer gunned down dog for nicking his ball

A CRUEL businessman was arrested for shooting and killing a dog that had stolen his ball on a golf course.

Salil Zaveri, 60, is accused of gunning down the pooch at the Wyndham Grand Rio Mar Resort in Puerto Rico.

Police said the enraged Zaveri allegedly pulled out a 9mm gun and shot the animal at least twice in front of several horrified golfers.

Then he "got in the cart and kept playing", said Gabriel Redondo Miranda, the prosecutor in the case.

Cops released a photo of Zaveri getting cuffed near the 18th hole.

"Thank you to MY police officers, who today were the voice of justice for a puppy," Police Commissioner Antonio López Figueroa said in a Facebook post.

Zaveri, a sales and marketing consultant and the CEO of Zaveri Consulting, LLC, was released on bail but his passport and driver's licence were seized.

Cow shit is NOT a cure for COVID

RUBBING yourself in cow shit WON'T cure COVID, medics have warned.

As the virus ravages India, some have taken to rubbing cow faeces and urine on their bodies.

But doctors have cautioned DON'T DO IT, saying there's no proof it boosts immunity or helps treat COVID.

"There are also health risks involved in smearing these products – other diseases can spread from the animals to humans," Dr. JA Jayalal, national president of the Indian Medical Association, said.

In Hinduism, the cow is a sacred symbol of life and earth.

Some residents of Gujarat, in the western part of India, have been visiting cow shelters to rub the excrement on their bodies, then hug or honour the cows while the mixture dries.

# DID NAZI ROCKET MAN PREDICT ELON MUSK?

THE rise of space billionaire Elon Musk was predicted nearly 70 YEARS AGO – by the man who built Hitler's notorious V2 death rockets.

Wernher von Braun may have predicted super-rich SpaceX owner Musk's plan to colonise other worlds when he described a man named "Elon" ruling over Mars.

Von Braun created the character "Elon" in his 1952 science fiction novel *Project Mars* – a space fantasy about a mission to Mars.

The book's predictions

began trending on social media last week

Von Braun, one of the most important scientists in the development of rocket technology, describes a Martian government led by 10 men, who worked under a leader "elected" by universal suffrage for five years under the name or title of "Elon".

Genius Von Braun was the world's leading rocket engineer working on Nazi Germany's development programme.

He created Hitler's so-called Vengeance weapons, including the

terrifying V2 rocket that killed 7,250 Britons in World War 2.

After the war, Von Braun was among a group of German scientists who were secretly moved to the US

and put to work on the exploration of outer space at NASA.

Their Nazi antics, including the use of slave labour at their notorious Peenemuende rocket base, was hushed up as the USA lined up to beat the Soviet Union in the space race.

Musk, the founder of SpaceX, is among a group of billionaires with plans to colonise the Red Planet.

His company recently became the first private firm to launch astronauts into space.

# The killings were incredibly violent...most victims were tortured prior to death

**BEFORE 1999, most people outside of south Australia had never heard of Snowtown.**

**But on May 20, 1999, Snowtown made headlines for the first time in its history.**

**Multiple missing person reports lead police to the town's abandoned former bank vault.**

**And inside, they discovered six acid-filled barrels.**

**They contained the disintegrating corpses of eight dead bodies.**

**After the find, the name of the town then became synonymous with murder.**

**It also led to the 2011 movie *Snowtown*, a haunting horror about a real-life murder spree...**

**MARK HAYDON**

**THE** killings were primarily carried out by three men, John Bunting, Robert Wagner, and James Vlassakis.

The murders were violent and most of the victims were tortured prior to their death.

Police found in possession of the

By KOURTNEY KENNEDY  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

murderous group a number of weapons used to torture their victims, including knives, saws, shotguns, rope, tape, and a metallurgy tool used for electrocution.

Bunting, born on September 4, 1966, in

Inala, Queensland, was the ringleader of the group.

He was convicted for his role in the killings of 11 victims and is serving 11 life sentences, without possibility of parole.

Bunting demonstrated classic budding serial killer tendencies from childhood, being disruptive in school, bullying other children, and killing animals.

He claimed to have been beaten and sexually assaulted by a friend's older brother when he was just eight years old, inciting a hatred of paedophiles and gays.

Bunting had what he called a rock spider wall inside his house, a "rock spider" being an Australian slang term referring to paedophiles, commonly used in jails.

#### **Suspected**

He kept a chart tracking names and information about people he suspected of being paedophiles or gay.

Robert Wagner, born on November 28, 1971, in Parramatta, New South Wales, partnered with John Bunting to carry out the Snowtown murders.

He is currently serving 10 consecutive life terms, although he only pleaded guilty to three of the charges.

Wagner also possessed a hatred for paedophiles and gave that as his reason for participating in the killings.

He ranted at his trial:

#### **BODIES IN THE BARRELS: THE SNOWTOWN MURDERS**

## **REAL-LIFE MOVIE KILL**

"Paedophiles were doing terrible things to kids. The authorities didn't do anything about it. I decided to take action. I took that action. Thank you."

Wagner and Bunting were the only two of the group to commit cannibalism.

The two men cooked and ate a piece of the flesh of their final victim, David Johnson.

James Vlassakis, born on December 24, 1979, is currently serving four life sentences in prison for his role in the murders.

He is the stepson of

Bunting, who was married to Vlassakis's mother, Elizabeth Harvey.

As they lived together, Bunting spent a lot of time expressing his hatred of paedophiles to Vlassakis, who later confessed that his older brother had molested him as a teenager.

#### **Attacked**

Bunting responded by suggesting that they attacked him for it.

Vlassakis, alongside Bunting and Wagner, eventually killed his brother, as well as his stepbrother.

Mark Haydon, born on

**IN FRIDAY'S Sport**

**ROBERT WAGNER**

December 4, 1958, was not convicted of murder although he was found guilty of assisting the other three men in disposing two bodies.

One was his wife, Elizabeth Haydon.

He was not found guilty of her death although he helped cover up the murder.

He also helped with removing the body of Vlassakis's brother.

In 1999, Haydon rented out the old bank vault the men used to store the bodies in.

He received a 25-year sentence for his crimes.

**THE VICTIMS****CLINTON TREZISE, 22**

FOUND buried in a town near Adelaide in 1994, Clinton was killed by Bunting with a hammer.

**RAY DAVIES, 26**

RAY lived in a caravan on the property of pensioner Suzanna Allen, and was alleged to have sexually abused her grandchildren.

He was strangled to death by Wagner, alongside Bunting.

**BARRY LANE, 42**

BARRY was in a gay relationship with Wagner, even though he and Bunting claimed to abhor homosexuals.

He was tortured and strangled, and his body wrapped in carpet before being placed in one of the barrels.

**GAVIN PORTER, 31**

GAVIN briefly lived with Vlassakis, as the two were both on the same methadone programme.

While working on his car and on drugs, he fell asleep on the backseat and was then strangled to death by both Bunting and Wagner.

**FREDERICK BROOKS, 18**

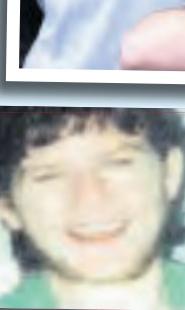

FREDERICK was the son of a woman named Jodie Elliott, who was previously engaged to Bunting.

He was handcuffed, gagged, and tortured before being killed.

**ELIZABETH HAYDON, 37**

HER disappearance was a major factor that raised police suspicion.

Her death was attributed to Bunting and Wagner, and her hubby helped dispose of her body.

**MICHAEL GARDINER, 19**

MICHAEL'S alleged "crime" was being homosexual.

The teenager was an openly-gay crossdresser, which incited Bunting's wrath against gay men.

He was strangled to death by both Wagner and Bunting.

**THOMAS TREVILYAN, AGE UNKNOWN**

ORIGINALLY considered a suicide, his body was found hanging from a tree in Adelaide.

Thomas was a paranoid schizophrenic who suffered from vivid hallucinations.

**TROY YOODE, 21**

TROY was the older brother of Vlassakis, who he claimed had sexually assaulted him as a child.

He was hit with planks multiple times by the three men while asleep and was tortured before they killed him.

**GARY O'DWYER, 29**

GARY was a welfare recipient who had suffered brain damage in a car crash, and targeted by Bunting for this so-called weakness.

The three men visited his home "to have a few drinks" before torturing and killing him.

**DAVID JOHNSON, 24**

THE final Snowtown victim, David was the stepbrother of Vlassakis.

He was driven into Snowtown by his stepbrother, where the other two killers awaited.

They strangled and beat him to death, chopping up his body to dispose of in the barrels.

Part of his flesh was cannibalised by Bunting and Wagner, who "hadn't had enough fun" killing him.

**SEX SWAP KILLER, 75, IS FORCED FROM OAP HOME**

**UNWANTED:** Arthurrell with victim Venet Mulhall and (left) in new guise as Regina

**A NOTORIOUS serial killer who now identifies as a woman has been moved out of a retirement village following complaints from terrified neighbours.**

Reginald Arthurrell served 23 years of a 24-year sentence for the murder of fiancée Venet Mulhall, 54, in the Australian town of Coonabarabran, New South Wales, in 1995.

Arthurrell walked out of Sydney's Long Bay jail in November 2020 after the NSW Parole Authority concluded it was the "only viable option".

The 75-year-old, who now goes by the name 'Regina', had been living in temporary housing in Yagoona, near Sydney.

**Relieved**

But locals appealed to police to have the triple-killer moved.

"It was horrific, I can't believe she was put here," neighbour Sandra Burr said.

"I'm just so relieved she's gone."

"She comes to my door to use my phone and to tell me her life history when she moved in."

Arthurrell was jailed for the manslaughter of

her stepfather Thomas Thornton in Sydney in 1974 and naval officer Ross Browning in the Northern Territory in 1981.

She had been living in a small brick flat in Yagoona since her release, angering locals and forcing Canterbury-Bankstown mayor to make an impassioned statement.

"This is a joke, how can you let this grub live in the community and not even let people know?" Khal Asfour said on learning Arthurrell was in his community.

"I want this grub out of my city."

**WHAT'S ANNOYING HIM THIS WEEK?**

**People don't buy Labour bullshit any more!**

**WHICHEVER way you look at it, Our Keir is in trouble.**

The Labour leader is losing votes hands over fist.

The public aren't quite sure what he stands for.

His party's MPs don't appear to trust him.

And the TV guys and girls just see a talking head not actually saying anything very much.

He's being lampooned as a Max Headroom lookalike and soundalike – and worse.

What is becoming increasingly clear is that not being Jeremy Corbyn is simply not enough.

They can bang on and on about Labour being "under new management" until they're breathless, but it doesn't count unless it shows.

And it doesn't, does it?

What we've got in our Official Opposition is essentially a bunch of people who really don't

like each other very much.

A bunch of people who don't agree with each other.

A bunch of people who like calling people who don't agree with them "racists".

That's where we are. A world where madness is seen as sane, where untruth is

supposedly truth, and where men can be women and women can be men.

Even though clearly, genetically, they are not.

That's where Our Keir's problems lie.

People in Hartlepool and elsewhere don't buy this bullshit.

And nor does anyone else.

IT is almost certain that you will not have heard the name of John Kay.

But guaranteed, you will have heard of many things this extraordinary journalist unearthed.

Because John Kay was arguably the greatest reporter Fleet Street has ever known.

The Queen's infamously leaked "annus horribilis" speech?

Johnnies.

Roman Abramovich buying Chelsea – or Chelski, as his bosses at The Sun headlined it?

Johnnies.

Prince Edward quitting the Royal Marines?

Johnnies.

John Kay broke scoops more often than his colleagues broke the

paper top on fresh jars of coffee.

While always in a dapper suit and a lunch appointment booked at his beloved RAC club on Pall Mall.

Now, I never met the man.

But as a supposed rival – as we all are in

this trade – he was by far the most feared and admired.

Feared because he was clearly just brilliant.

Admired because, by all accounts, he was just a really lovely bloke.

He died at the weekend, aged 77, and colleagues have rightly been frothing forth with praise.

When you saw his name on an article – almost certainly on the front page – you just knew, really, that you couldn't top it.

He was just too good, with an unrivalled book of contacts that was the envy of all.

But I won't froth on, because that's not how John Kay would have done it, either.

RIP to a legend.

**Sex toys 'wreck marriages and make you crazy'**

USING sex toys could cause divorce and madness, the top shrink in ZIMBABWE has warned.

Dr Kudakwashe Muchena said sex toys allow couples and partners to explore their sexuality.

But he warned that, just like masturbation, uncontrolled use of sex toys could result in serious mental health issues which can lead to broken marriages and relationships.

There has been a rise in the marketing and distribution of sex toys in Zimbabwe.

But Dr Muchena cautioned: "The use of intimate toys or sex toys is around two things, which is openness to experience and openness to communication.

"The use of sex toys can actually destroy that marriage, because one of the partners involved may actually feel like they are being replaced by a toy."

"It impacts heavily on the mental health of the other partner involved."

# MISS SUCKED MAN'S TEAT IN ZOOM CLASS

A SPICY slip of the tongue led to a Spanish teacher being yanked from her classes after investigators found she performed an "inappropriate sexual act" during a Zoom lesson.

As students at prestigious Columbia Secondary School for Math, Science and Engineering in New York remotely watched a "live" class, Amanda Fletcher, 37, "appeared to suck the nipple of an unidentified topless male" while she "rocked her head back and forth", according to the Special Commissioner of Investigation for city schools.

"Following this act, Fletcher's face

turned in full view of the screen and she gyrated her shoulders and smiled," the report says.

Before that, students watched Fletcher "eating spaghetti" with the shirtless man behind her, the SCI says in a report.

After taking her mouth off the man's chest, Fletcher "resumed teaching and discussing a worksheet", a student told investigators.

Investigators viewed several videos of the incident, which were shared by students on Shapchat and other social media platforms, the report says.

The stunning scene took place two

weeks after the city's Department of Education opened the 2020-21 school year remotely.

The alleged behaviour started about 12 minutes before the class ended, while students were still present on the call.

Fletcher gave no explanation for her alleged conduct and declined to be interviewed by SCI investigators.

"This behaviour is absolutely unacceptable," DOE spokeswoman Danielle Filson said.

The DOE will "reassess" Fletcher and "will pursue disciplinary action" against her, Filson said.

# NOT TO BE SNEEZED AT!

By GRACE HOOPER

[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

**MANY of us are avoiding anyone with a cough, sneeze or cold during the pandemic.**

But apparently, there are some who have a fetish for flu symptoms.

Takes all sorts...

As the nation emerges blinking from the ravages of the Chinese Death Plague, some kinksters have developed a COVID FETISH.

And cam babes like Page Three legend Holly Maguire are making a mint catering for that specific kink.

Holly says she's been approached by men who have that very specific kink.

The 42-year-old, who previously appeared in *Footballers' Wives*, records videos of herself coughing and sneezing for randy fans.

Some even ask her to wear a face mask so she can play into the fantasy even more.

While you may think the fetish is niche, enterprising Holly rakes in £4,000 a month by filming sexy COVID-related content.

## Exotic

Holly, who is originally from Essex but now lives in Spain, said: "It's a daily thing [being asked to wear a facemask]..."

"Some like the more exotic, elegant coverings, whereas others like the basic tissue style because they rip easily."

"I have a regular who likes to role play. I think he is a germaphobe and likes me to whisper very quietly during the conversations."

"When I do, he brings the phone closer to his face to try to hear me and I pretend to sneeze or cough directly loudly at him."

"It's pretty hard to sneeze on demand, so I try to remember to have a pepper shaker handy for those calls."

Holly, who connects with her clients via Saucytime.com, has now

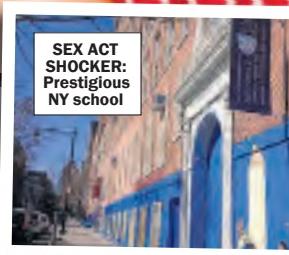

grown used to the bonkers requests.

But she admits her most unusual scene involved eating cream cakes while still wearing her face mask.

While she "felt pretty sick after", she revealed she can make up to £500 on a good day's work.

Holly thinks the craze is popular because it's so "taboo" at the moment.

She added that many are looking to spark a connection during lockdown, which is why demand seems to be higher than ever.

# SOPHIE REVS UP TO TOP GEAR

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**BBC bosses want to glam up motoring show *Top Gear* – and win a few brownie points from the diversity brigade – by bringing in a female presenter.**

And sources say Southport glamour legend Sophie Howard is a name in the frame.

*Top Gear* was a must-watch show when it was presented by Jeremy Clarkson, Richard Hammond and James May but the holy trinity left to make a show for Amazon after Clarkson had a tantrum about his supper being cold.

It's now fronted by Freddie Flintoff, Paddy McGuinness and Chris Harris.

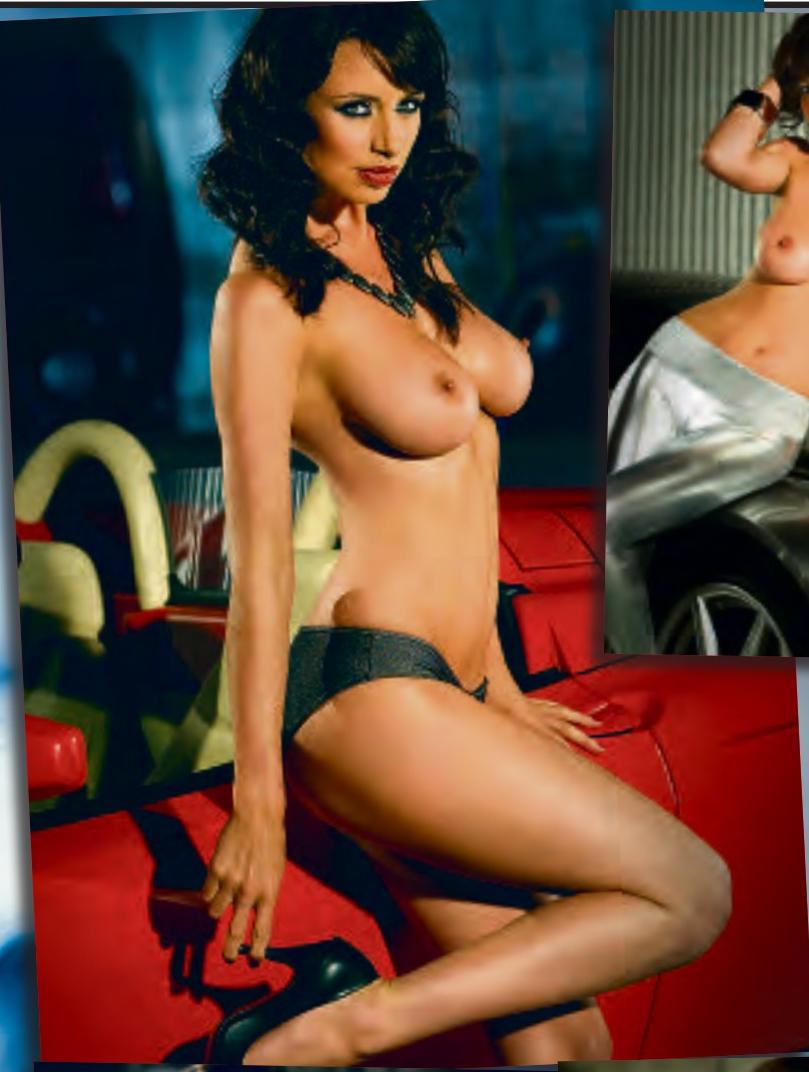

A BBC insider said: "The head honchos know they are skating on thin ice by not having a bird on *Top Gear*.

"If they bung Sophie in front of the camera, they even up the gender balance and have a fit bird for the dads to ogle. It's win-win!"

GEARING UP FOR GLAM CO-HOST? It's wait and see for (from left) Flintoff, McGuinness and Harris

# Neighbours' dirty vid led to a swinging time

Dear Bexie,

I FIND myself in a dilemma because I've been shagging my neighbour's wife.

She loves me to f\*\*k her while I get quite a kick out of as well.

The problem arose after her hubby invited me and my wife round for drinks.

After we'd been chatting a while, he put a video on. To my horror, it showed me and his missus getting down to it in their bedroom a couple of days earlier.

He must have been hiding in the wardrobe to film me banging his wife while dressed in her lingerie.

## Stripped

But I got an even bigger surprise when I glanced sheepishly over at my wife.

She didn't seem at all shocked – even as she saw her neighbour inserting a small vibrator up my arse while I screwed her.

I felt sure she'd kick off big-style, but instead she just wanted to know why she had not been invited to take part in our sex games.

We all got pissed and the upshot was that we decided to indulge in some partner-swapping.

My wife didn't need encouragement and was soon stripped to her briefs, through which you could see her damp, hairy minge.

Before I knew it both my neighbours were on her, with the woman licking

out my missus as she sucked on the bloke's fat prick.

When he'd shot his hot spunk over her face, I got my dick in her gob and she sucked me off while the neighbour's wife licked my balls.

As this was going on, the neighbour was banging away at my missus from behind.

Then they told me to dress up in my wife's undies and get it on with the wife, just like on the video.

My neighbour began filming my wife, who was thrusting a vibrator up her juicy twat.

I spanked over the neighbour's tits and my wife licked it up.

We indulged in all sorts of sexual cravings and tried out a variety of positions for a good few hours.

It was a great night and we're planning to do it again.

My missus is obviously turned on

by what happened and she can't wait to go back for more.

But I fear this sexual awakening has altered my wife's thinking, because she now wants me to wear lingerie under my ordinary clothes.

I've refused because it seems she wants to take what I've considered a harmless fetish a bit too far.

But she keeps persisting with the idea and has even gone as far as to accuse me of being unreasonable.

What do you say?

SL, London

Bexie says...

THERE are all sorts of potential pitfalls when married couples turn into swingers. But your dilemma is not a common one – your wife IS being unreasonable.

Dear Bexie,

# Kinky romps with daughter's best pal

Dear Bexie,

MY daughter's best friend is a very tasty 21-year-old student, with a cracking body.

A couple of months ago I was out in town when I bumped into her. We had a few drinks and she made it obvious she was up for a shag.

I couldn't take my eyes off her big tits and, to my shame, ended up giving her one at her house, as her parents were away on a trip.

She stripped off to just her tiny black thong. I was instantly hard and she leapt on my eight-inch'er, sucking it expertly until I shot my load on her boobs.

I took off her thong and licked her bald, wet slot. She was moaning and told me that she likes older men to give her a "good f\*\*king".

## Spanking

I pounded into her for 15 minutes. After I had come she sucked me to hardness again and I did her for a second time.

We now have sex at least twice a week and it's brilliant. Last week she dressed up as a nurse and told me to tie her up, give her arse a good spanking and then f\*\*k her.

The trouble is, she now wants me to leave my wife and get a place with her – so that we can shag whenever we want.

There's no chance of that. What do I do?

TM, Birmingham

Bexie says...

END this fast and pray she doesn't spill the beans.

Dear Bexie,

I THINK I have become addicted to sex.

I'm a blonde 32-year-old barmaid with 34DD tits and I get loads of attention.

I'm game for all manner of sex and I love sucking cock.

But I recently had my first shag with two blokes – and I'm convinced that's turned me into a nympho.

Since then, I've found myself wanting more and more thrills with groups of fellas.

Last week I went with six blokes who had been in the pub and I invited them back to my place.

I was determined to satisfy all six at the same time and I had a dick in my arse, one in my fanny and two in my mouth while I wanked the other two off.

It was fantastic watching them all explode virtually together.

I swallowed loads of cum and I could feel spunk dribbling down my thighs.

But that's still not enough for me. This weekend I'm meeting these blokes again and two more of their mates.

Do you think my behaviour is OK, or does the fact that I'm about to have it off with eight men mean I'm abnormal?

HK, Wiltshire

Bexie says...

EIGHT is a bit excessive. And have you also thought about the health risks? Take precautions.

**THE fantasy I have the most right now is going to a sex party.**

When I watch porn online I often search for orgies and imagine it's me in a sea of naked bodies.

The idea of a total sexual free-for-all, where lots of men and women are groping me,

is a massive turn on. In my fantasy I become the focal point for the group and I'm right in the centre, being lavished with attention.

I'm sat half upright with my legs wide open and a crowd is all around me.

I'm being kissed passionately by lots and lots of different people and there are many fingers going into my wet pussy. There are countless

hands on my boobs and tongues on my nipples and it's absolute bliss!  
Hard cocks keep getting thrust in my mouth and I lick and suck on them eagerly.

#### Pussies

I also lick lots of wet pussies as and when they appear in my face.

"Then really horny men take it in turns to f\*\*k. A bloke with a massive hard cock pumps in and out of me and calls me a naughty slut and I come really hard, over and over.

It's such a full-on fantasy that I'm not sure it's something I would ever have the guts to try out in reality. But I also never say never..."

# jessyca WILSON

**W**HO would balk at enjoying a nice scrub in the tub with juicy Jessyca Wilson?

Here she is, naked in the bath with a cascade of water on her 34Ds.

The Yorkshire lovely said: "I was never that body-confident before I did my first photo shoot.

"After that, there was no stopping me. You have no idea how exciting it is to be completely naked while someone takes lots of saucy photos of you.

"After I've done a shoot, I have to go home and finger myself to orgasm – it makes me feel so horny.

"Sometimes I meet a guy on the way home – and he gets the shag of his life!"

We can but dream...

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops*, and for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDS at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

## # HOT 'N' HORNY

**D**ON'T get on the wrong side of lovely Lacey Jay – because she will get revenge on you!

Lacey was devastated when her former builder boyfriend began seeing other girls behind her back and lied to her for months about his secret liaisons.

The Walton-on-Thames beauty knew the way to get her own back was by 'revenge cheating' on the 27-year-old rat by having an affair of her own.

She began secretly seeing a rich married stockbroker 10 years older than her.

He lavished her with gifts and took her on expensive breaks to luxury hotels.

And the 34DD babe came up with a plan to finally give her cheating boyfriend a taste of his own medicine.

She showed him pictures of her with her new lover – and then dumped him for good!

STAR MAN: Saint Maximin

Bruce in fight to keep St Maximin

**STEVE** Bruce will fight to keep Allan Saint-Maximin at St James's Park this summer.

The Newcastle boss knows his prized asset will be wanted by other teams after a series of top displays.

But he's digging in to keep the Frenchman.

Bruce said: "I said when we signed him he was going to be someone who gets you off the edge of your seat and how often do you feel like that about an individual player?"

"He has wonderful natural ability and it wouldn't surprise me if other teams are looking because his ability is there for everybody to see."

"He is a very gifted individual and young, of course. The last thing we want to be doing is selling our better players that is for sure."

Newcastle have had a decent season and, despite some ups and downs, have never really been in a relegation battle.

#### Rubbish

But that hasn't stopped Bruce coming in for plenty of stick from the Toon Army.

He said: "It is a fantastic football club and if you are a Geordie or from there it is unique."

"The vast majority of people you speak to on the street are wishing me the best of luck and telling me to take no notice of the rubbish."

"It has been very difficult. I was never going to be good enough for some."

"You have to accept criticism, it is part and parcel of it, but I think at times it has been untrue."

"I have always said to try and judge me when I have a fit squad."

"Here is the big thing. Newcastle in the last 14/15 years have been in the bottom half of the Premier League."

"We would all love to see Newcastle United being back to signing the Alan Shearers of this world for world record fees but that just isn't going to happen."

"It is difficult managing the expectation that is obviously still there."

bring to this team — my quality, what I can do — and I finally scored this beautiful goal.

"We scored three fantastic goals against West Brom and I am really happy with the performance and with the goal that I scored."

Willian has been overshadowed by younger team-mates Emil Smith Rowe and Nicolas Pepe up front and Bukayo Saka at the back.

And he thinks the 20-year-old England hope can make an ever bigger impact as he gets more time on the pitch.

Willian added: "He is a fantastic player and I think he has a great future."

"He has technique and everything to become one of the best players in

the League and I am really happy for him."

Boss Mikel Arteta thinks Smith Rowe can develop into one of the Premier League's best forwards.

But he needs to start hitting the target more often.

His goal against the Baggies was his first in the Premier League. Some pundits think the Arsenal academy graduate could even sneak into Gareth Southgate's squad for the summer Euros.

#### Incredible

Arteta thinks there's a bright future ahead of him whatever happens with England.

The Gunners boss said: "He's having an incredible season ever since he started to play in December."

"But he's scoring his first Premier

League goal. An incredible season for a number 10 of Arsenal means he needs to score 15 goals and give 10 assists."

"Then you are right up there with the top guys in Europe and in the league. He's got the ability to do it but he hasn't done it."

"We need to stay calm with him, give him the right support and step by step I think he will be getting there."

Willian agrees with his gaffer and thinks Smith Rowe will be pulling on a Three Lions shirt before too long.

He added: "He is a fantastic player and I think he has a great future. He has technique and everything to become one of the best players in the League and I am happy for him."

## New faces can pass Kiwi Test for Ashes spot

**CRICKET By ANDY MILLOM**

ENGLAND cricket chief Ashley Giles is considering bloodling several new players in the Test series against New Zealand.

He wants as big a pool of experienced cricketers as possible in case he needs to take a big squad to Australia for next winter's Ashes.

Giles may need to take 25 men down under if Covid means a bio-bubble needs to be formed.

That could give the likes of Ollie Robinson, James Bracey, Craig Overton and Ben Foakes may be surprise names taking on the Black Caps in a two-match series at the start of next month.

Giles said: "What we do know and what's not going to change is that given the weight of cricket, given the Ashes series, and we don't know what conditions that's going to be played in with regard to Covid environment, we are going to need a bigger group of players."

"We may choose against New Zealand to look at some new faces."

England have more players than expected to choose from thanks to the cancellation of the Indian Premier League because of Covid.

Chris Woakes, Sam Curran, Jos Buttler, Jonny Bairstow and Moeen Ali are serving their quarantine after returning from India.

Giles said: "All these guys are currently in quarantine and have

**FOURTH: Tuchel's Chelsea**  
had a number of spells in quarantine and bubbles in this last period.

"Chris Silverwood will work with them, as will our medical teams on what's best for their progress."

"We know historically that Chris Woakes, for example, likes to get more overs under his belt with the red ball before he's up to speed."

"Others react differently, so it's a case by case basis. We have got an awful lot of cricket coming up."

## England stars out of IPL

ENGLAND players are unlikely to return for the rescheduled Indian Premier League.

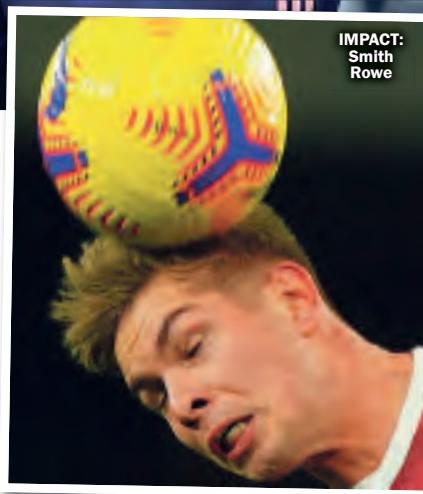

The tournament was put on hold after Covid cases raged out of control in the country.

Several England centrally contracted players were given permission to play in the original tournament—but they are needed by the Three Lions for the rest of the summer.

Head of England cricket Ashley Giles said: "We're planning on the involvement of England players."

"We've got a full schedule. So if those tours to Pakistan and Bangladesh in September and October are going ahead, I'd expect the players to be there."

"We've got a lot of important, high-profile cricket including the T20 World Cup and the Ashes. And we're going to have to look after our players."

**IMPACT:**  
Smith  
Rowe

who looks destined for international honours soon.

Arteta is backing the left-back to make a major impact.

He added: "He's a kid who has the intelligence to understand different positions."

"He still has things to learn, obviously defensively, because it's been a while since he played in that position, but I think he had the right approach to it."

### Chance

"That's the first and most important thing. And then his quality defines a lot of moments."

It looks like there's a big summer ahead for Arteta who looks as though he's going to be given another chance.

That's despite Arsenal missing out

on European football for a quarter of a century thanks to their poor domestic showing and missing out in the Europa League semis.

But Arteta needs to sell before he can buy to overhaul his squad. Goalie Bernd Leno is reportedly being offered to teams in Europe.

The German is one of the bigger assets in the squad and could be sold for around £40m.

Arsenal want to spend just £7m of that on Ajax gloveman Andre Onana who was linked with Chelsea before they bought Edouard Mendy.

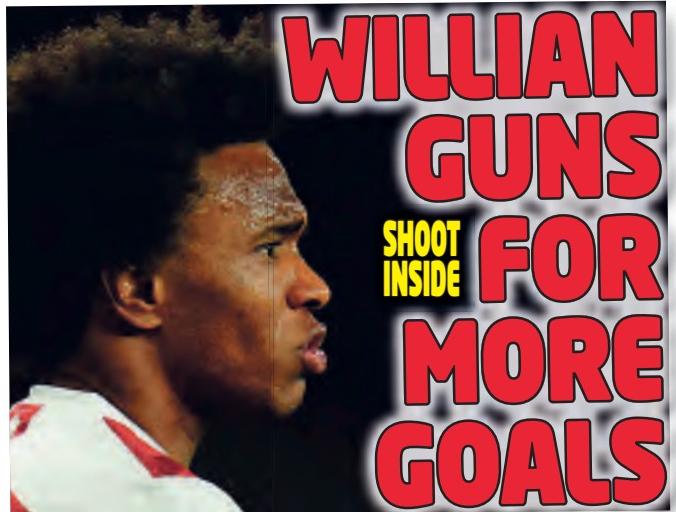

Onana is on a 12-month ban after a banned substance was found in a urine sample, which he claims was an honest mistake.

He is appealing against the ban and is likely to be available for the start of next season.

# £175M KANE SWAP

**United offer cash plus players for Harry**

**MAN United are lining up a sensational swap deal for Harry Kane.**

Tottenham's talisman is set to leave White Hart Lane this summer after a disappointing season with the Londoners.

United are desperate to sign the England skipper but they don't have the £175m in cash it will take

By JOHN ANTHONY

to get the deal done. So they will try to throw in three players to get that fee down.

With Hugo Lloris set for a return to France, United could offer David De Gea as a new No1 for Spurs.

And in-form Jesse Lingard is another name in the frame along with Anthony Martial who has dropped

down the pecking order at Old Trafford.

Donny van de Beek is another name in the frame.

Should Spurs agree to take at least two of them they would still want at least £100m in cash on top for Kane.

United boss Ole Gunnar Solskjaer knows he needs a high-class striker for his team to reach the next level.

The likes of Marcus Rashford and Mason Greenwood have blistering pace but they need to up their goal return.

Edinson Cavani has given the Norwegian a big boost by signing a new deal but he's a veteran at 34 and Kane would be the ideal signing — especially as Alf Inge Haaland looks more likely to join City.
